Foreword

Strength . . . Beauty . . . Truth . . . these three elements of life were honored above all by the ancient Greeks as the ultimate in living, the end of their strivings. And we find that, in our age, these golden essences are untarnished by time, and are still revered. We find that now, as always, the world recognizes the worth of spiritual, as well as physical strength; that people are still sensitive to beauty, that they see it as quickly in a kind smile as in a crimson sunset; that the deepest motivation in man's soul is his search for truth. We find these three words on the Montreat College seal, reminding us that we are always to be strong, and thus to strengthen others; that we are to do what we can to make life beautiful; that we who have found the Truth must hold it high like a torch, so that its glow will light the way for others.

Sun Dial

Dedication

How can we, with only a few poorly chosen words, hope to express all the love and appreciation that fills so many hearts? How can we say for each of us, *Thank You . . . for warmly clasping my hand, for that smile I needed so much just at that moment, for the understanding I read in your eyes, for patience that never seems to exhaust itself, and most of all, for loving me just because I'm me.*

It is a humble gift in return for so much, but with hearts filled with more love and gratitude than words can ever tell, we dedicate the 1953 Sun Dial to one who very nearly perfectly exemplifies the noblest of human life, Strength, Beauty, and Truth . . .

This 1953 Senior Class takes leave of Montreat with mixed emotion welling up within each heart.

We are filled with deep love for Montreat and its helpful guidance in finding our predestined paths of service. We are grateful for those friends whose faithfulness during our four-year sojourn has made happiness a way of life. We are overcome by our realization that what we have learned here will be as a beacon light down the darkened paths of the future. We are happy because we can gather all Montreat has given us and in the form of memories carry it with us always.

With tear-filled eyes, hearts overflowing with love and gratitude, and memories enough to last a life time, we sadly depart to continue our sojourn of destiny.

Class of '53

Through these four years, we have gathered together the many types and personalities that make up our Seniors. There are the quiet ones and the gay ones, the leaders and the followers. Sharing years of increasing knowledge, some problems, many good times, and "tea parties", we have built up firm friendships. Together we now must leave, hoping not to be forgotten, and knowing we will never forget Montreat.

The High School Athletic Board plans and directs the recreation of the students. Its purpose is to develop interest and efficiency in sports, and to encourage healthful living, good sportsmanship, and a friendly spirit of cooperation among the girls.

Upon arrival at Montreat, all students automatically become members of the Athletic Association and of one of the four tribes.

The members of the Athletic Board are chosen for their skill in sports and for their ability to live up to the ideals of the Board.

Camp Montreat For Girls

MONTREAT is increasingly proud of the magnificent job being done at Camp Montreat . . . Each summer most of the young campers (ages 6 to 17) return to its green mountains and sparkling Lake Susan for another wonderful season . . . Counselors are selected for high Christian character, pleasing personality, and excellence in college life, as well as camping skills . . . The complete program calls for riding, swimming, tennis, boating, archery, arts and crafts, group and individual sports, supper hikes, music, and many other activities . . . At Camp Montreat a wholesome religious life blends naturally into the campers' lives from the outstanding summer program at Montreat . . .
